

Name _____ Date _____

Write your brief story of an event or familiar scenario on a sheet of notebook paper. Then convert it to a 4-6 panel sequential art story.

Sequential Art Check List

- _____ The panels tell the story in sequence.
- _____ One panel transitions smoothly to the next and the story is easy to follow.
- _____ The art reflects the emotions and actions of the characters involved.
- _____ The text and art support each other.
- _____ The story is entertaining.

List the sequential art techniques you used to make your story more appealing.

Attach the written copy of your story and the sequential art to this form.
